ADDITIONAL NOTES FROM THE SCHOOL

Please ensure that clothing is marked clearly with your child's name. Identical articles of clothing are hard to identify. It is extremely time consuming searching for named articles and very frustrating when there is no labeling. Time spent searching for lost clothes is time spent not teaching.

School uniform is a unifying factor and also an equaliser in a school. We ask you to keep strictly to the agreed uniform. Children wear shoes in school and not trainers which are quite inappropriate with school uniform except for lunchtime play. We ask that a pair of average priced black and white trainers are brought to school for playtime which cannot be construed in any way to be desirable/designer/outstanding.

Footwear is the most difficult aspect of uniform to maintain because fashion dictates certain styles which become overwhelmingly important to children as 'image promoters'. This causes envy amongst children and unfortunate circumstances can develop. I feel sure that parents will understand and help the school to maintain traditional values.
